

# ALABAMA BAPTIST DISASTER RELIEF TRAINING SITE HOST AGREEMENT

Thank you for your interest in hosting a training event for the Alabama Baptist Disaster Relief ministry. It is important that you understand the responsibility and requirements for serving as the host association. Please read this document carefully as requirements are essential to insure a successful event. Feel free to contact [helpdesk@alsbom-gm.org](mailto:helpdesk@alsbom-gm.org) with any questions or concerns. It is the desire of the disaster relief office that your training event be a positive experience for participants.

## The Host Agency agrees to provide:

- One classroom equipped with tables/chairs large enough to accommodate the total number registered
- Smaller classrooms equipped with tables/chairs suitable for the individual ministry area trainings
- Two 8' tables to be used by the Administration Team to set up two or more computers and photo ID station and printers (Generally two 8' tables are sufficient and ideally this space should be located out of the traffic flow and not in an area where people generally "hang out")
- Supper for the trainees, trainers, and the admin team
- Water, drinks, and snacks sufficient for all trainees and trainers during the event breaks
- A person to serve as the fiscal agent for the event
- A person to assist with the check-in process
- A primary, secondary, and admin contact for the event  
*(Admin person to assist trainees with the online registration process)*

## Special note for two/three day courses

**\*\*Breakfast** the following morning(s) for those that stay overnight at host facility.

*(Admin Team, Trainers and Trainees)*

**\*\*Light lunch** for trainers/trainees involved in 2 and 3 day events (i.e. Chaplaincy)

**\*\*A place** for the training and admin team to sleep. This is simply floor space.

*(While it is discouraged, if the host agency chooses to provide hotel/motel accommodations for the admin and training team, please select a modest hotel/motel, double occupancy (two single or two double beds) and non-smoking rooms.)*

The Host Agency is responsible for collecting all tuition from the trainees and forwarding it to the disaster relief office of the State Board of Missions. The Host Agency will be invoiced for the training following the event. There are minimum charges that may apply.

Each ministry area has specific time and space requirements and minimum/maximum enrollments. The Host Agency will be given the opportunity to cancel the training if minimums are not met. If the Host Agency decides to offer the training without the minimum number of trainees enrolled, the Host Agency will be responsible for the difference in the tuition collected and the minimum tuition. You can download these individual ministry area training requirements at: [www.sbdr.org](http://www.sbdr.org)

I have read, understood, and accept the Host Agency requirements for training/insurance and the requirements for each ministry area being offered.

Example- Deployment style accommodations are available. List of nearby hotels, etc.

*We have found that it is best to have trainees call and request local accommodation information. This gives the Host Agency an accurate count of those desiring to stay overnight and meal counts.*

## **Insurance Requirements for Disaster Relief Volunteers**

Every volunteer is required to have personal medical insurance in order to train or deploy with Alabama Baptist Disaster Relief Ministries. In addition to personal insurance, trainees and deploying teams should be covered by supplemental insurance. It is the responsibility of the Host Agency to provide supplemental insurance coverage during training events.

Gallagher Charitable International Insurance Services provides coverage for volunteer mission groups and individuals. This page contains helpful information regarding supplemental health coverage to protect Disaster Relief volunteers during training and deployment events.

- The Host Agency will provide supplemental insurance coverage for all registered volunteers.
- The State Board of Missions will provide supplemental insurance coverage for state trainers.
- This insurance provides coverage for accidental injury or death. There is a preferred plan which covers sickness and emergency transportation.
- It is advisable that associations establish an account with Gallagher in order to provide easy access to provide coverage when the association's volunteers/teams train or deploy to a disaster site.
- Sample forms included in the last section of this notebook.
- Obtain more information by visiting <https://www.aaintl.com/>
- Protecting your volunteers is good stewardship of the resources serving God through Alabama Baptist Disaster Relief ministries.
